

Notice of Upcoming Tap Water Leak Repair Schedule

Subject: Announcement of excavation and repair schedule for the water leak in front of Yi Dormitory.

Details:

1. The repair work is scheduled to take place from Tuesday, September 10, 2024, to Friday, September 13, 2024.
2. Once the leak point is located, the water supply will be temporarily suspended (expected on September 10, 2024). The areas affected by the water outage include Hua Dormitory, Shan Dormitory, Ming Dormitory, Ping Dormitory, and the snack bar. Water services will be restored by September 13, 2024.
3. The construction area is detailed in the attached map. During the repair, machinery operation will generate noise. Please follow the traffic control measures and detour around the construction site.
4. During the construction period, unauthorized personnel or vehicles are requested to stay away from the surrounding areas for safety reasons. The construction area will be cordoned off to ensure safety. We apologize for any inconvenience caused. In the event of rain, the repair schedule will be postponed.
